PRESIDENT'S FOREWORD

Dear Members,

On behalf of the board, I invite IMMAF's European nations to participate in our 2022 European Championships in the beautiful holiday location of Lignano Sabbiadoro, near Venice, along Italy's coast to the Adriatic Sea.

Hosted at Bella Italia Efa Village by the Italian Mixed Martial Arts Federation (FIGMMA) and FEDERKOMBAT (the Italian Federation of Combat Sports under the National Olympic Committee), the Championships is to take place at a pleasant and mild time of year between 26 September and 1 October 2022.

FIGMMA holds a proud record in the hosting of IMMAF tournaments, having delivered both the European Championships and inaugural Youth World Championships in 2019 to an excellent standard. We are grateful to FIGMMA President Saverio Longo, Vice-president Vito Paolillo, the FIGMMA board and FEDERKOMBAT for agreeing to now host IMMAF's 2022 European Championships as we build back after the pandemic. Indeed, we look forward to the first Euros since the lifting of travel restrictions, where emerging rising stars will get to meet for the first time and establish a new order in the rankings ahead of the 2022 World Championships.

IMMAF's continental tournaments so far this year have demonstrated our athletes' hunger to return to competition and their grit through challenging times, with a continued increase in their skill level. With the Europeans traditionally recording the highest participation number outside of IMMAF's World Championships, the tournament promises to be the strongest indicator of global competition level ahead of the year's culminating event.

I urge your federation not to miss out on the sports opportunities nor on the opportunity to celebrate MMA's continued legislative successes in Europe and to reunite with the IMMAF family as we continue to push forward in our vision for Olympic recognition.

Yours in MMA,

Kerrith Brown OLY
IMMAF President

HOST FEDERATION'S WELCOME

I am proud and very happy to be able to host the IMMAF European Senior and Junior MMA Championships for the second time.

The Italian Federation will do its utmost to offer all European teams an efficient service and excellent hospitality in the happy oasis of Bella Italia in Lignano, a beautiful venue surrounded by nature and on the seaside.

A set of test scales will be available for one hour before the official weigh in. This is to facilitate athletes who wish to check their pre-fight weight before stepping onto the official weigh in scales.

The organizing federation (FIGMMA) may enter officials as required for the realization of the tournament if a sufficient number cannot be sourced

The requirement for officiating can be found in the “Officials Selection Procedure Form” at <https://smoothcomp.com/en/event/8560>

DRAW

The draw will take place on Monday 26th September 2022 at 17:00hrs @ Bella Italia Village.

All team delegates must fully adhere to the dress code outlined for the draw as well as the duration of the competition.

Dress Code for Draw : suit, with jacket and tie OR national team tracksuit.

Only 2 representatives from each Federation are allowed to attend the draw, representatives must reserve their draw slots during registration.

The top four (4) competitors in each weight category will be seeded according to the current IMMAF World Amateur MMA Ranking List.

For all divisions the competitors will be divided into a bracket by means of a “draw”, and a single elimination system will be used to produce two (2) Finalists, who will compete for the gold medal. Competitors from the same Nation can not meet in the final (unless it's a bracket of 2). Competitors from the same Nation will meet in the semi-finals provided they were victorious in previous elimination bouts.

A bronze medal will be awarded to both losing semi-finalists, even if the bronze medalist hasn't won a bout to reach the semi-finals, (for clarification, a bye is classed as a win). There will be no placement points awarded for a losing semi-finalist that has not won a bout to reach the semi-finals.

If there are only two (2) competitors in a bracket, then this will be a gold and silver medal match with the loser receiving a medal. No placement ranking points will be awarded for the loser however.

Full ranking points will be issued if there are twenty (20) or more countries competing at the event. If there are under twenty (20) countries competing, then only half of the ranking points will be issued. Please see this link for how ranking points are earned.
<https://immaf.org/athletes/rankings/>

All competitors must make weight each day they are scheduled to compete. Once a competitor loses a bout they are then out of the competition from that stage. If a competitor wins their bout but is medically suspended, they are out of the competition from that time. Please note, competitors that have byes are not required to weigh-in. Only competitors scheduled to compete on any given day must weigh in and make weight. If the competitor fails to make weight for the official weigh in, then they will be out of the competition from this time and their opponent will advance to the next round via a bye. If both opponents fail to make weight then no one advances.

CORNERS (SECONDS), TEAM LEADERS & TEAM DELEGATES

All team delegates must fully adhere to the dress code outlined for the draw and for the duration of the competition.

Dress Code for Draw: suit, with jacket and tie or national team tracksuit

- Please note the participation fee does not include any accommodation or transport.

ANTI-DOPING

Anti-doping controls will be conducted in accordance with the IMMAF Anti-Doping Rules and the World Anti-Doping Agency Code.

IMMAF will be responsible for planning and implementing the necessary procedures.

All participants (athletes, coaches and officials) should ensure they comply with the Anti-Doping Rules -

<https://immaf.org/wp-content/uploads/2021/12/IMMAF-Anti-Doping-Rules-2022-FINAL.pdf>.

The IMMAF Anti-Doping Rules adopt the WADA Prohibited List of Substances and Methods WADA Prohibited List 2022.

Athletes should check all medications to ensure any substances used are permitted.

If approval for the medically justified use of a Prohibited Substance or Method is required, apply to IMMAF for a Therapeutic Use Exemption by 28th August 2022. In an emergency/after this date, submit a TUE form as soon as treatment is required.

If a TUE has already been approved at national level, submit the TUE Certificate for approval as soon as possible tue@immaf.org

TUE application details are available on IMMAF's website -

<https://immaf.org/integrity/anti-doping/therapeutic-use-exemptions/#apply-tue>.

NOTE: IMMAF operates a zero tolerance on the use of needles for any purpose without medical justification.

MEDICAL CLEARANCE

Competitors need to ensure that their annual medical examination is in good standing as per IMMAF's competition medical requirements.

The cut-off date for submission of all correctly completed AND correctly submitted medical forms and blood work is Tuesday 13th September 2022.

In order to be medically cleared to compete in the 2022 European Championships, each athlete must provide:

a) a completed Annual Medical Examination form, dated within one year of the final day of competition - so on or after 2nd October 2021.

b) a copy of the testing laboratory result form showing clear blood test results for Hepatitis B (HBsAg), Hepatitis C (Anti-HCV) and HIV (p24 antigen and HIV 1+2 antibodies), all dated within 6 months of the final day of competition - so on or after 2nd April 2022.

c) a doctor's review of blood test results, documented in either the Annual Medical Examination form or the Blood Test Review form.

d) all documentation must be sent as an email attachment in PDF form (ideally one complete PDF per athlete) through the team Medical Safety Lead (*see Note 1 below) to: immaf@safemma.org

**Please Note: we strongly recommend submitting all forms at least one week in advance of the deadline so that any mistakes or omissions can be addressed before the cut-off date, thus avoiding any Late admin fees (*see Note 2 below)*

e) there is no need to resubmit forms previously received and accepted by SAFE MMA

The most current versions of forms and further information can be found here:
<https://safemma.org/immaf/>

MEDICAL CLEARANCE

Note 1: MEDICAL SAFETY LEAD

Each team must nominate a Medical Safety Lead. Your MSL acts as the single point of contact through whom we expect to receive all medical documentation, and with whom we share important updates.

The role is purely administrative - no prior medical knowledge or experience is required. Please let us know if you require details of your MSL, or wish to nominate someone new to the role.

Note 2: ADMINISTRATION FEES FOR LATE SUBMISSIONS

The cut-off date for submission of all CORRECTLY COMPLETED and CORRECTLY SUBMITTED medical forms and blood work is Tuesday 13th September 2022.

Please ensure forms are submitted at least one week in advance of this so that any mistakes or omissions can be addressed before the cut-off date. Forms must be received through the nominated MSL, ideally as one complete PDF per athlete.

- a £20 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received by the cut-off date of Tuesday 13th September 2022 (2359hrs UTC)
- a £40 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received one week after the cut-off date, so by Tuesday 20th September 2022 (2359hrs UTC)
- an £80 Late admin fee will be payable direct to SAFE MMA by or for any athlete whose correct & complete documentation has not been received more than 2 days before the start of competition, so by Saturday 24th September 2022 (2359hrs UTC).

MEDICAL CLEARANCE

Important information:

- Other than in exceptional cases (such as with late injury replacements) the Late admin fees detailed above WILL be strictly enforced WITHOUT exception.
- If a Late admin fee is due, no documentation will be reviewed, or even considered as having been received, until that fee has been paid.
- If a Late admin fee is due and not received before a further deadline has been passed, the higher fee will be payable in order for that athlete's documentation to be reviewed.
- The review of any documentation received after the cut-off date is subject to the availability of resources, and at the discretion of SAFE MMA and the IMMAF Medical Commission.

For the record, late admin fees are not intended to raise revenue. They have solely been introduced to focus attention on the importance of complying with deadlines so that we can continue doing the work we do effectively with the resources we have - the alternatives being raising fees for everyone or removing athletes from the tournament. We would be delighted if not a single late admin fee was ever incurred! Please work with us to achieve this, and get your athletes' documentation arranged in good time. If you have any comments, issues or questions regarding this, or any medical matter, please email us at: immaf@safemma.org.

INSURANCE OF COMPETITORS
